Re: Appeal No. 87-1326
RLH:RAC:CAK

Dear Mr. Lesar:

You appealed on behalf of your client, Mark A. Allen, from the action of the Office of Professional Responsibility on one document referred to it from the Federal Bureau of Investigation responsive to his request for access to communications about the King assassination between the FBI and the House Select Committee on Assassinations.

As a result of discussions between OPR personnel and members of my staff, a complete release of this record will soon be made to you directly by OPR. In light of this fact I am closing your appeal file in this Office.

Sincerely,

Richard L. Huff, Co-Director
Office of Information and Privacy
